

# Herzlich willkommen!

DEAR EXHIBITORS,

For the ones that have never exhibited at our event I can already say: you will be inspired. Beautiful friendships have established here. Seamlessly our exhibitors also benefit from our wonderful Hat event. The fact that I very much value harmony among one another is beneficial for everyone. Time and time again visitors mention the friendly and relaxed atmosphere. Fact is when people feel good and welcome they intend to purchase! But that should be obvious.

Isabel Patel and myself look forward to welcome you.  
Yours, Ute Patel-Missfeldt
